1951–1960 Catalogue

The Library's *Catalogue of Accessions*, published in 1955 included books published during the present century and added to the Library down to the end of 1950. With the year 1960 the time has come for a supplement to list accessions for the ten years since 1950. It is hoped that this will be published in the Summer of 1961.

Photographic Reproductions

The Library is now able to provide reproductions of pages from books and manuscripts on a limited scale. In the past all photographic work for readers had to be supplied by putting the work out. This will still be the case for microfilms and any photographs needed for half-tone or other forms of printed reproduction. But where working copies of a few pages of a book or manuscript are wanted for the information contained, these can now be readily produced in the Library at a cost of 1s. 6d. per foolscap sheet (13 in. × 8 in.), up to not more than about six sheets.

Directory of Dissenting Ministers

The card-index on which the Rev. Charles E. Surman has been working for more than twenty years has now been completed and is housed in a special cabinet in the Library. The file of cards contains some 32,000 separate entries and gives in brief outline the salient events (with references for further information) in the lives of Congregational ministers (and in the early period, for ministers of other denominations) from the beginnings down to 1958. By arrangement those interested may consult this valuable work of reference at the Library. To Mr. Surman, for endless toil and research, and to the Friends of the Library who have contributed to installing the Directory, the Library is greatly indebted.

August Closing

Last year's experiment of closing the Library for only the first part of August will be repeated this year. It will be closed from 1st to 19th August and will re-open on Monday, 21st August.

Periodicals

The following periodicals have been added to the list of those taken regularly in the Library:

Biblical Research: papers of the Chicago Society of Biblical Research. Amsterdam.

Proceedings of the Unitarian Historical Society [of America]. Boston (Mass.).

Transactions of the Bibliographical Society. Oxford.

The *Proceedings of the Unitarian Historical Society* of Boston is coming to the Library as a gift, and includes all the volumes from No. 8 of 1947. Another gift is *Seventeenth-Century News*. This valuable review of historical and other work on the Seventeenth Century deserves to be better known to historians and can be obtained for a subscription of 1 guinea for three years paid to J. C. Maxwell, King's College, Newcastle upon Tyne. Notice of the subscription should also be sent to the Editor, Dr. J. Max Patrick, English Department, New York University, New York 3, N.Y., U.S.A.

Gifts to the Library

FRIENDS OF DR. WILLIAMS'S LIBRARY

Support for Dr. Williams's Library is urgently needed. Post-war costs have made it impossible to maintain an adequate library service without additional resources, and the facilities offered by the Library for research students have long stood in need of development. To meet these needs the FRIENDS OF DR. WILLIAMS'S LIBRARY was founded in 1946, and the society invites all who are interested to collaborate in its work.

Full particulars together with forms for the payment of subscriptions by Banker's Order and under Deed of Covenant may be had on application from the Secretary at the Library.
